EXPERIENCE

The Galloway School IT Department, Atlanta, GA — *IT Help*

May 2017 - August 2017

In my paid internship, I was tasked with handling incoming and outgoing computers. I was required to physically clean, then wipe computers, which were being returned to the leasing company. In addition, I assisted in setting up computers for new, incoming students for the fall semester. I worked on approximately 300 computers over the four month internship period.

Worked Monday through Friday ~20 - 30 hours per week.

SKILLS

Computers: Basic skills in terminal and mac computer hardware gained from my paid internship at the Galloway School.

EDUCATION

The Galloway School, Atlanta, GA, — *Graduate*

August 2015 - May 2019

ACT: 32

Georgia State University, Atlanta, GA, — *Senior*

Present

Major: Computer Science

GT Coding Bootcamp — *Georgia Tech Professional Learning*

March 2021 - May 2021

I took Georgia Tech's coding bootcamp for full stack web development. Taking the full-time course is difficult and time consuming but it has been a great experience to grow as a student and a developer. I learned plenty of skills including, but not limited to, GitHub / GitBash, JavaScript / JQuery, HTML5 / CSS3, react, node, MySQL, ORM / MVC / PWA, experience with web, third-party and server-side APIs.

**Advanced Education,
Commitment, Mental
Fortitude, CS Aptitude**

ACTIVITIES / PROJECTS

Game Design — *The Galloway School*

October 2015 - 2019

For 4 years, I took Video Game Design courses at Galloway. Video Game Design is a career pathway that interests me. I learned to operate different programs like Rpg Maker, Autodesk Maya, Unreal Engine lighting/animation and Blender. Selected by faculty to serve as head of animation to motivate and mentor peers in Game Design. Dedicated up to 12 hours weekly on class assignments as well as outside project work to improve skills and core competencies.

**Leadership, Communication,
UE4, Maya, Blender**

Varsity Sports — *The Galloway School*

February 2016 - April 2016

Earned a letter in varsity golf my freshman year. I was the low scorer for our team in regionals. Time commitment of ~10 hours per week.

Focus, Mental Toughness

August 2015 - January 2017

Earned three varsity letters in basketball. Freshman year, I played on both the varsity and junior varsity teams. Training, practice and games required 18 hours per week time commitment.

**Sportsmanship, Collaboration,
Teamwork**

Spring 2018 & 2019

I threw discus and shotput as well as competed in the 100 meter and long jump events for the Galloway Track and Field team. Earned two varsity letters. Training, practice and meets required a weekly time commitment of 15 hours. I placed 8th in region for shot put. Our team lacked a throwing coach so I needed to go see a trainer to learn how to throw discus. This took an extra 2-3 hours per week. I was hurt during my senior year so I offered to stand in as the throwing coach for new discus and shotput athletes.

**Time Management,
Independence, Leadership**
